

Our project for the fall semester is the Butterfly Garden outside the library. This garden space provides educational opportunities for all grade levels. Students will be able to observe plant and butterfly life cycles, track the flow of energy, investigate symbiotic relationships, and much more! We want to start working on this garden space right away & would love for you to join us. You can donate any of the supplies listed below or sign-up as a volunteer.

Wish List:

- Soaker Hose
- Potting Soil
- Landscaping Fabric
- Plants:
 - Milkweed
 - Purple Cone Flowers
 - Phlox
 - Black Eyed Susans
 - Latana
 - Aster
 - Butterfly Bushes
 - Lavender
 - Zinnias
 - Tulip Bulbs
 - Daffodils
 - Any other perennial plants

Please bring donations to the front office and leave for Ms. Caylor or Mrs. Smith. If interested in volunteering please send an email to laura.caylor@cityschools.net or carrie.smith@cityschools.net.
