

## Class Dojo

CLA is so excited this year to be using Class Dojo as a positive behavior support system in our building. Class Dojo allows students to earn points for their positive behavior. All teachers will be using Class Dojo to connect with you as the parent or guardian. During Open House and Parent Meetings more information will be given on how to set up and manage your own child's specific "Dojo" account.

Please, feel free to explore the Class Dojo website at [www.classdojo.com](http://www.classdojo.com)

I have also listed a parent link below.

Parent resource link: <https://www.classdojo.com/resources/#parents>

As a school, students will have the opportunity to cash in their "Dojo" points at our school-wide store, which will be called "Monster Marketplace". Students can save up their "Dojo" points, and then, cash them in once per month for tangibles, school supplies, snacks, etc.
